

Amie K

Bio

Amie K combines her love of poetry and the English language with her passion for music to create an ever changing sound. Matching life's tendency to never stay still, her lyrics and sound are ever evolving whilst maintaining her distinctive Indie Folk style.

Since starting to write in 2014, Amie K has since played regular gigs in her local area, playing in local festivals, pubs and venues as well as doing live performances and interviews for internet radio stations. She also released her debut EP 'Colours' in early 2016, and is already working on recording the follow up.
